

## Environmental Award Information

### 2006 Houston Environmental Awards

The 2006 Environmental Summit awards are designed to recognize and award outstanding dedication and achievement by those engaged in programs having a direct impact on environmentally related issues. If you know someone who contributed to or improved the quality of the environment in their workplace or community and would like their achievements to be recognized, please nominate them today!!

### Awards Recognition Rules and Guidelines

- Award nominations are open to all businesses, nonprofit organizations, governmental agencies, hospitals, colleges and universities having programs directly impacting environmental issues. A separate category for the community will also be recognized.
- Nominees must have worked a minimum of one year in an environmentally-related field such as:
  - Air • Recycling • Solid Waste • Water/Wastewater
  - Energy Conservation • Environmental Health & Safety
  - Green Technology

### Nomination Packets

Packets should be received no later than May 12, 2006, 5 pm. The following information should be included in the packets:

- Nomination Form (one (1) original, four (4) hard copies and one (1) electronic copy)
- No more than three (3) page narrative
- Support material not exceeding five (5) pages
- Font size no smaller than 11 points

**Award nomination questions should be directed to Marilyn Leday @ 713.837.9138 or [marilyn.leday@cityofhouston.net](mailto:marilyn.leday@cityofhouston.net)**

**Information or ideas to include in the nomination packet should be but are not limited to:**

- Why does this person deserve to be selected?
- What separates him/her from others in the field?
- Work innovations in the environmental field
- Job/technical knowledge/judgement/vision
- Unique attributes/assets/credentials/team player/leadership efforts
- Work performance/productivity
- Public interaction/planning/organization
- Previous environmental award recognition
- Impact/savings to company
